

Neighbourhood plan Update Report – No.2

- a) The Big Business Survey was printed and distributed at the beginning of March. The results to date of as follows: 61 surveys issued – 10 received completed.
- b) On the 9th and 13th March, we had a Teams meeting with Umrah Mahadik who is the Senior Planning Consultant for Neighbourhood Planning at NNC. Both meetings were very informative and constructive and outlined the way in which we can work together going forward.
- c) Umrah supplied us with a mountain of information to assist us in carrying out the process of creating an NP as well as enlightening us on key elements that we need to concentrate on, including registering the plan with NNC. Umrah also suggested some key resources that we may be able to approach in developing the plan and provided us with the name of an independent advisor that can verify the plan before presenting it to NNC.
- d) Our main work for the next weeks is to prepare for the Open Evening being held on the 6th May. Hopefully we will have representatives from several of the village establishments/groups in attendance and who will be able to give everyone an update on their own activities and the interaction with the PC in going forward with proposals contained in the NP.
- e) The next meeting of the NP committee will be on the 8th of April, when we will be discussing the structure of Open Evening on the 6th of May.
- f) It is our intention to distribute an A5 Flyer in the last week of April to remind them of the event.
